WHAT MAKES US UNIQUE

25 Years Of Expertise In Natural Stone.

Tamil Nadu's largest display
Gallery spreading over 4 acres.

We import the blocks **directly** from around the **world**.

Slabs are cut to an international standard of 18mm or 20mm.

Each slab undergoes a **stringent** quality check

The slab is processed using
imported, imported **epoxy** which
ensures proper filling of the slab.

Our **gallery** allows you to **compare multiple slabs**
on the floor as you would see in your interior
space and thereby enable you to make a better
decision.

BUYING AT COSMO IS A SIMPLE PROCESS

Step 1

Book an appointment over the
phone or just pop in to our gallery at Karapakkam

Step 2

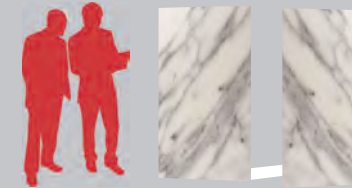

Consult with our Flooring experts,
who will tailor a customised solution for your exact requirement.

Step 3

Our executives will take you around the
gallery where you can choose from our enormous international collection.

Step 4

Shortlist the products, mirror match them (optional) and finalise your selection.

Step 5

Inspect and measure every slab of the selected lot.

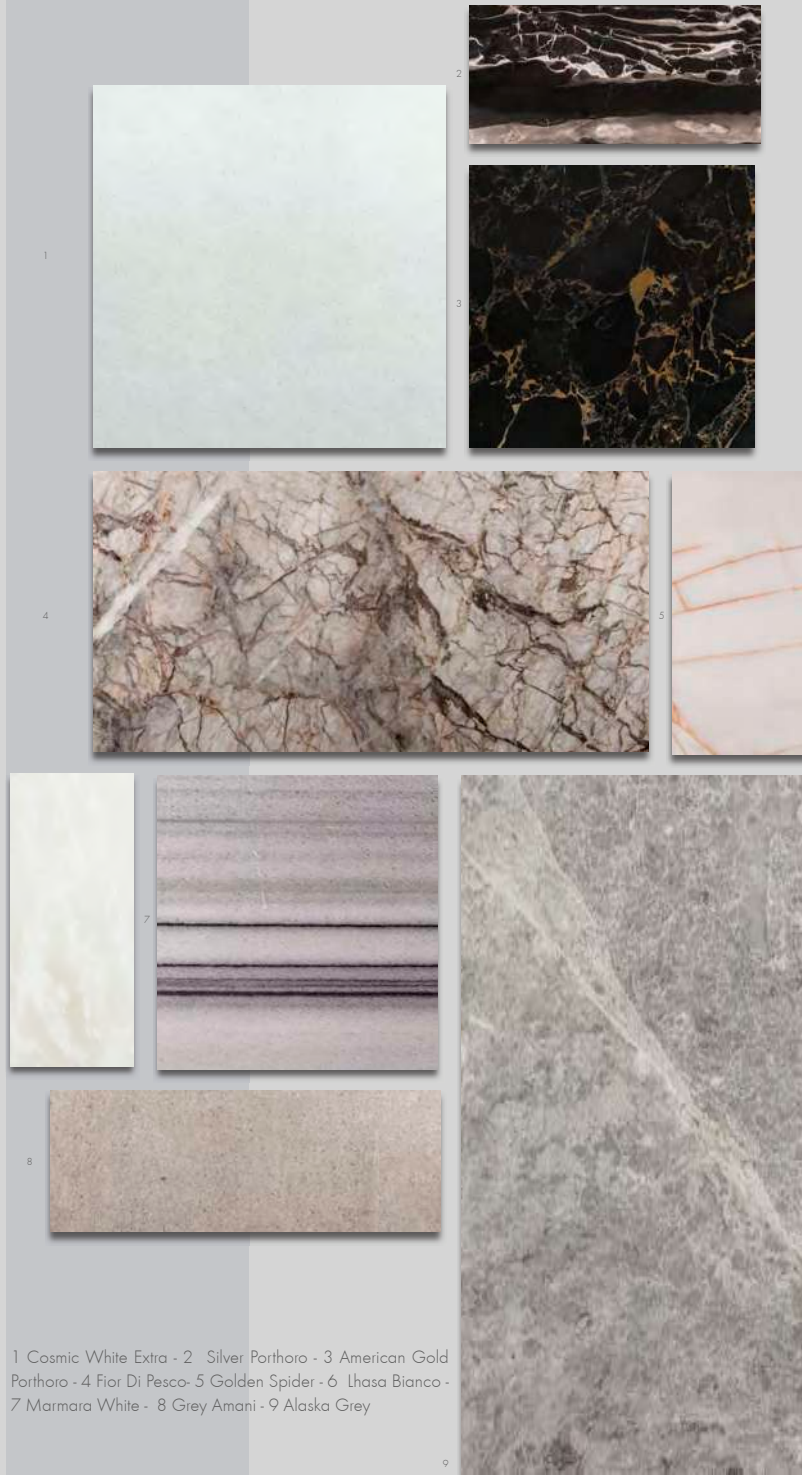

Step 6

Tell us where to deliver the products and we will do the rest.
